The contempt is alleged of the order dated 16th February, 2006 whereby the Respondent Corporation was directed to trace out the plan and take action against all the persons who have made addition/alteration in their premises contrary to the original building plan. Respondents have filed an affidavit of Sunil K. Ekbote, Assistant Engineer (B & F), P. North Ward Office, stating therein that the said plans have been traced out and action has been taken against the persons who have made

additions/alterations in their premises. This is in compliance of the order. Therefore, there is no contempt. The respondent No. 2 shall inform about the action taken by them to the Petitioner within two weeks. The contempt petition stands disposed of.
